POSTGRADUATE REGULATIONS OF UASB

2022-23 and Onwards

1.0 TITLE

The Academic Information and Regulations shall be called “University of Agricultural Sciences, Bangalore Academic Information and Regulations governing Postgraduate Degree Programmes under Semester System”. These shall be applicable for students admitted from the Academic year 2022-23 and onwards.

2.0 DEFINITIONS

2.1 **Academic Year:** An academic year is a period during which a cycle of study is completed. It shall be divided into two academic terms known as semesters. Dates of registration, commencement of instructions, semester end examination and academic calendar shall be developed by the University from time to time and notified accordingly by the Registrar.

2.2 **Semester:** A Semester shall consist of not less than 110 instructional days. The final examination shall be completed in the next ten working days.

2.3 **Curriculum:** A series of courses designed to provide learning opportunities to meet the requirements for a PG degree in accordance with BSMA (Broad Subject Matter Area) including stand-alone programmes.

Courses with 500 series are applicable for Master’s Degree Programme and Courses with 600 series are applicable for Ph.D. Degree Programme. The Ph.D. students can register 500 series courses of closely related subjects, whereas, Master’s degree students should not take 600 series courses.

2.4 **Course:** A course is a unit of instruction or segment of subject matter as specified in course calendar to be covered in a semester. It has a specified number, title and credit hours.

- 2.5 **Credit Hours (Course Credit):** A measure of quantity of work done in a course. One credit represents one hour of lecture or two hours of laboratory or field work per week through a semester.
- 2.6 **Course Load:** The number of credit hours a student can register in a semester. A student shall not register for more than 23 credits in a semester including all course work, research work, seminar and qualifying.
- 2.7 **Grade Point of a Course:** A measure of quality of work done in a course to meet the requirement in a semester. It is computed by dividing the percentage of marks obtained in a course by 10. It shall be expressed on a 10-point scale upto third decimal place. A grade point of 6.000 and above shall be considered as successful completion of the course.
- 2.8 **Grade Point Average (GPA):** It is a quotient of the total course credit points earned by a student in various courses registered, divided by the course credits during that semester. It shall be corrected to the third decimal place.
- 2.9 **Cumulative Grade Point Average (CGPA):** It is the cumulative performance of a student in all the courses in the preceding semesters. CGPA is computed by dividing the total credit points earned by a student in all the courses taken from the first Semester by the total number of credits completed up to the end of a specified semester. It shall be corrected to the third decimal place.
- 2.10 **Overall Grade Point Average (OGPA):** It is a measure of the overall performance of a student on completion of the degree programme. It is computed by dividing the total number of course credit points earned by a student over the semesters by the total number of credit hours and corrected to the third decimal place. Minimum pass for Master's and Ph.D. Degree programme shall be 7.000 and 7.500, respectively.

11.1.5 Teaching Assistantship: Fulltime III year Ph.D. students have to mandatorily assist the faculty in handling the UG courses in final two semesters.

11.2 The students shall be allowed to register these courses/similar courses on these aspects, if available online on SWAYAM or any other platform in the form of e-courses / MOOCs. If a student has already completed any of these courses during UG, student shall be permitted to register for other related courses with the prior approval of the Director of Education and BoS (PGS).

In line with the suggestion in new education policy and the initiatives taken by ICAR and MHRD in the form of e-courses, MOOCs, SWAYAM etc. and also changes taking place globally in respect of learning through online resources it has been agreed to permit the students to enroll for online courses. It is expected that the provision of integrating available online courses with the traditional system of education would provide the students opportunities to improve their employability by imbibing the additional skills and competitive edge.

The following points shall be considered while integrating the online courses:

1. The HoD shall provide the details of the on-line courses to the Directorate for its consideration. Upon the recommendation of the BoS (PGS) and Academic Council, the identified online courses shall made available for the students to register.
2. The host institute offering the course should evaluate and provide the marks / grades at 10.000 scale. If the evaluation is differed from the 10.000 scale, then the BoS (PGS) shall develop the

conversion formula for calculation of GPA and it may do appropriate checks on delivery methods and do additional evaluations, if needed.

3. A Postgraduate student may take up to a maximum of 20 % credits in a semester through online learning resources for common courses.

- 11.3 A student will be allowed to register maximum of three credit course work directly related to the research in addition to the stipulated total credit hours as specified in Clause 11 with proper justification from the Advisory committee and the approval of Dean (PGS).

The extra additional courses apart from Section 11 (over and above 73 credits for Masters and 103 Credits for Doctoral Degree programmes) will be considered as audited courses *i.e.*, such courses will not be considered for calculating CGPA/OGPA. However, the student has to undergo the regular evaluation process.

12.0 **PERMISSIBLE WORKLOAD**

- 12.1 A Post Graduate student may register up to a maximum of 23 credits in a semester (including parttime students) on the recommendation of the Head of the Department / Major Advisor.

19.4 All the research credits registered for the PG degree programmes shall be graded as satisfactory / non satisfactory after the submission of the progress report for the HoD.

19.5 Internship for Development of Entrepreneurship in Agriculture (IDEA)

Currently, a provision of 27 credits for dissertation work in M.Sc. (Ag.) / M.Tech/ MBA programmes helps practically only those students who aspire to pursue their career in academic / research. There is hardly any opportunity/provision under this system to enhance the entrepreneurship

skills of those students who could start their own enterprise or have adequate skills to join the industry. Therefore, in order to overcome this gap, an optional internship/ in-plant training (called as IDEA) in lieu of thesis/ research work is recommended which will give the students an opportunity to have a real- time hands-on experience in the industry.

It is envisaged that the internship/ in-plant training would enhance the interactions between academic organizations and the relevant industry. It would not only enable the development of highly learned and skilled manpower to start their-own enterprises but also the industry would also be benefitted through this process. This pragmatic approach would definitely result in enhanced partnerships between academia and industry.

The main objectives of the programme:

1. To promote the linkages between academia and industry
2. To establish newer University – Cooperative R&D together with industry for knowledge creation, research and commercialization
3. Collaboration between Universities and industries through pilot projects
4. To develop methods for knowledge transfer, innovation and networking potential
5. To enhance skill, career development and employability

Following criteria for IDEA will be taken into consideration:

- At any point of time there will not be more than 50% of students who can opt under IDEA
- Major Advisor will be from Academia and Co-advisor (or Advisory Committee member) from industry

- Total credits (27) will be divided into 20 for internship / in-plant training and 7 for writing the report followed by *viva-voce* similar to dissertation
- Work place will be industry; however, academic/research support would be provided by the University or both. MoU may be developed accordingly
- The IPR, if any, would be as per the University policy

The Internship for Development of Entrepreneurship in Agriculture (IDEA) at UASB is only for MBA Students.

19.6 It is highly desirable for Ph.D. programme and this should be done annually as an essential part of research evaluation. The Student Advisory Committee shall review the progress of research and scrutinize annual progress reports submitted by the student.

19.7 Midterm evaluation of Ph.D. (to move from JRF to SRF) is a mandatory requirement for all the funding agencies. Hence, the second review of annual progress report need to be done after completion of two years. The successful completion enables the students to become eligible for SRF.
